NO TEST

Course Details:

Name of the course: Java from Zero to First Job

certificate provider: udemy **duration:**4.5hrs

I have completed this course and I have uploaded the certificate also.

The screenshot displays the Udemy course page for "Java from Zero to First Job: Part 1 - Fundamentals". The main content area features a diagram titled "Inheritance" showing a central "classCar" box with arrows pointing to it from four other car boxes (blue, red, green, yellow). The right sidebar shows a progress bar at 73% and a list of completed lectures, including "49. Object-oriented programming: Basics". The bottom of the page shows the course title, "About this course", and a Windows taskbar at the bottom.

Pre-placement activities:

Today I attended online session on the topic “C-programming” conducted by the dept. of Computer Science And Engineering AIET. It was driven by Prof Megha D. Hegde. After the session I attended the quiz.
