NO TEST

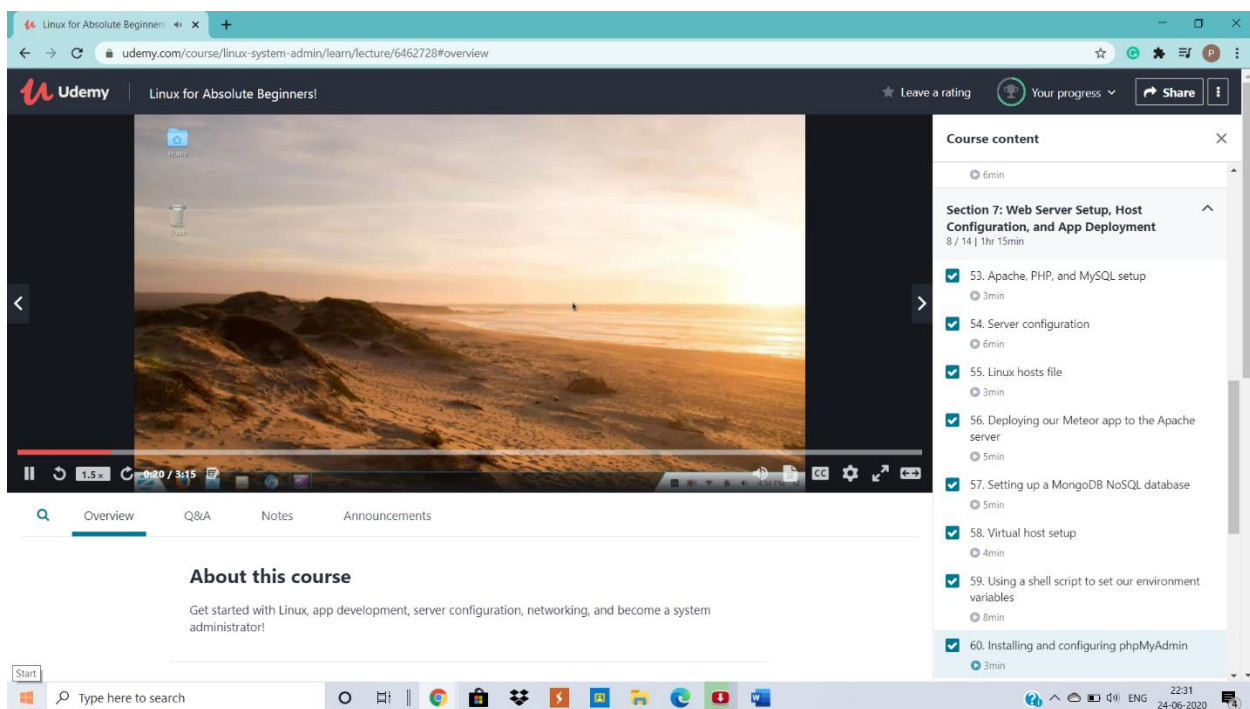

Course Details:

Name of the course: linux for absolute beginners

certificate provider: udemy

duration: 7.5hrs

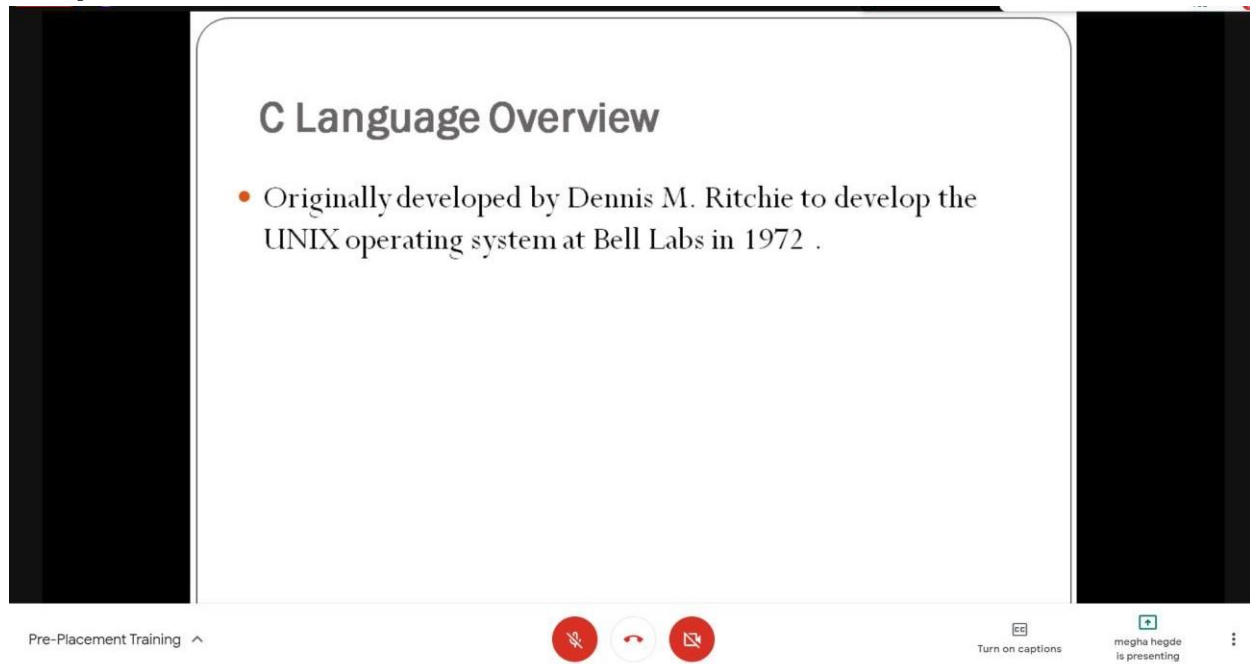

Today I have learnt about **Web Server Setup, Host Configuration, and App Deployment.**

Pre-placement activities:

Today I attended online class on the topic “Introduction of C programming” conducted by the dept. of Computer Science And Engineering AIET. It was driven by Prof Megha D. Hegde. After the class I attended the quiz. The quiz consists of 15 MCQs of one mark each. I had scored 12 marks out of 15 marks.

Snapshot:

The image shows a Zoom meeting window. The main content area displays a slide titled "C Language Overview". The slide has a white background with a thin grey border. Below the title, there is a single bullet point. The Zoom interface includes a top bar with the title "Pre-Placement Training" and a list of participants. At the bottom, there are three red circular icons for mute, video, and chat, along with a "Turn on captions" button and a status indicator for the presenter.

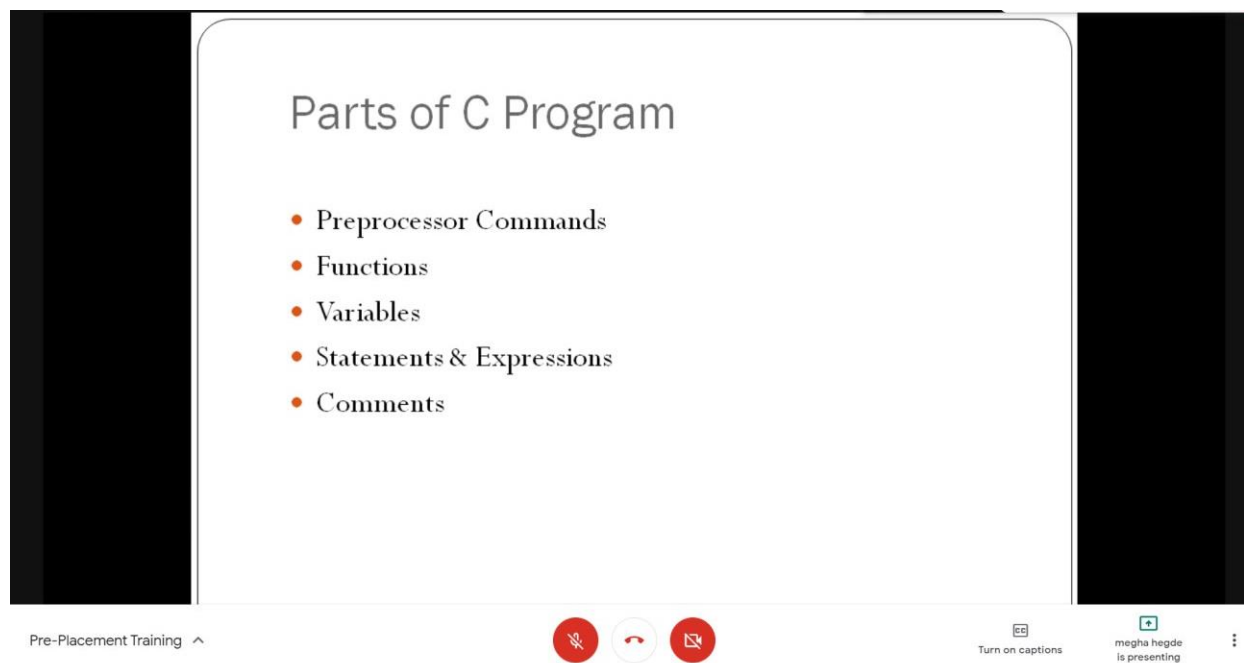

C Language Overview

- Originally developed by Dennis M. Ritchie to develop the UNIX operating system at Bell Labs in 1972 .
