No test

Course Details:

Name of the course: AWS Fundamentals: Going Cloud-Native

certificate provider: coursera **duration:**7.2hrs

Today I have enrolled for “AWS Fundamentals: Going Cloud-Native” course in coursera of 7.2 hours duration. Today I have done with Elastic file system EFS.

The screenshot displays a web browser window with the address bar showing the URL: `coursera.org/learn/aws-fundamentals-going-cloud-native/lecture/hqir8/amazon-elastic-file-system-amazon-efs`. The page header includes the Coursera logo and the user's name, Priya Nagari. The main content area is titled "Amazon Elastic File System (Amazon EFS)" and features a video player. The video shows a man in a red shirt speaking in front of a chalkboard. The chalkboard contains diagrams and text, including "ELB", "10.10.3.0/24", and "10.10.4.0/24". Below the video player are buttons for "Save Note", "Discuss", and "Download". To the right of the video is a "Notes" sidebar with a "Save Note" button and instructions on how to use the note-taking feature. The Windows taskbar at the bottom shows the date and time as 22:32 on 21-07-2020.

Workshop Details:

Today I had attended the Workshop organized by AIET on the topic “How to develop pythonic coding rather than python coding – Logic Perspective”. This Workshop was driven by Prof S Mohideen Badhusha Dept. Of CSE AIET. The workshop is of 2 hours of duration.
